

Comparing and contrasting

Alternatively
However
Conversely
On the other hand
Instead
Yet
On the contrary

Concluding

To summarise
It can be concluded that
As can be seen
Ultimately
Given the above
As described
Finally

Describing Similarities

Likewise

Correspondingly

Equally

Not only... but also

In the same way

Similarly

Emphasis, addition or examples

Moreover

Typically

Especially

In fact

Namely

In addition

First, second and third

To illustrate

To clarify

Further

For instance

Limitation or contradiction

Despite/in spite of

While

Even so

On the contrary

Nevertheless

Nonetheless

Although

Admittedly

Showing cause and effect

Consequently

As a result

Thus

Hence

Since

Because

Therefore

Accordingly

This suggests that

It follows that

For this reason
